I'll watch the sunrise tomorrow
Even the clouds cry in sorrow, it's true
'Till they let me down
But I know that the sun will shine

Red and bright yellow youths are showing
I'm just a fellow used to knowing my place
'Till they let me down
But I know that the sun will shine, shine

Ba ba da da da da de da
Ba da da da da, da da
Ba ba da da da da de da
Ba da da da da, da da

Sofly the light fills the grey skies
Window of life it's the sunrise, it's true
'Till they let me down
But I know that the sun will shine, shine

Ba ba da da da da de da
Ba da da da da, da da
Ba ba da da da da de da
Ba da da da da, da da
Ba ba da da da da de da
