It's a pity, you're a stranger  
And we like to know you, show you around  
If you wanna free from danger  
Share the secret sight, I'm bound to be true

In the city built on laughter  
I have found you crying, caught you adrift  
Much to me I'm from here after  
We'll be safe then sorrow shatters in bits  
(Ahh-ahh-ahh-ahh-ahh)

Trust in me, I will care for you  
Share a grace with you I'll make a place for you  
For you and me (ahhh)  
You and me (ahhh)

Even if it blames with you  
I'd be honored to serve you, take a step with you  
Always there with a loving man  
When you're there, will you go?  
You said I'd serve you well, serve thee well

(Ahhh) In a world of hidden treasure  
Hiding from the rainbow found it in you  
(Oooh) Taking cup full within your pleasure  
Love will come in silence faithful and true

Trust in me, I will care for you  
Share a grace with you I'll make a place for you  
For you and me (ahhh)  
Trust in me (ahhh) trust in me
