Tonight's ride home, I hope seems a little longer.
Maybe even take forever.
'Cause tonight I'm going to find myself, find out where
I'm supposed to be.
'Cause I might get lost on this old lonely road, if you
aren't here with me.
I look into your eyes, praying that I will find you.
The turn out, the turn out doesn't look so good.
Maybe someday, maybe somehow, I'll take my time to
figure you out.
Maybe someday, maybe somehow, I'll take my time to
figure you out.
I'll take my time, take my time, to see what you're all
about.
Tonight's ride home, I hope it seem a little longer.
Maybe even take forever, forever.
'Cause tonight I'm gonna find myself, find out where
I'm suppoosed to be.
Because I might get lost on this old lonely road, if you
aren't here to help me.
Maybe someday, maybe somehow, I'll take my time to
figure you out.
Maybe someday, maybe somehow, I'll take my time to
figure you out.
I'll take my time, I'll take my time to see what you're all
about.
Well, inspite of it all, we had fun, thanks for showing
me how to feel.
I'm done. I'm done. I'm done.
