We're gonna make it,  
Oh,  
We're gonna make it through,  
Me and you.  
We'll make it through.

Why can't it stay like this forever?  
I never wanna leave this place.  
I know it's hard for us to be together,  
But it's always gonna be this way.  
Unless we try,  
To make a change.  
I would die,  
To see your face.

We can make this better,  
If we only believe.  
We can.  
We can.  
We can.

Why can't it stay like this forever?  
I never wanna leave this place.  
I know it's hard for us to be together,  
But it's always gonna be this way.  
Unless we try,  
To make a change.  
I would die,  
To see your face.

So,  
Please come back to me.  
Baby,  
Please come back to me.  
Baby,  
Please come back to me.  
Baby,  
Please come back to me.

So,  
Please come back to me.  
(Come back, )

Baby,  
Please come back to me.  
(To me.)  
Baby,  
Please come back to me.  
(Come back, )  
Baby,  
Please come back to me.  
(To me.)

It's always gonna be this way!

Why can't it stay like this forever?  
I never wanna leave this place.  
I know it's hard for us to be together,  
But it's always gonna be this way.  
Unless we try,  
(Please come back to me)  
To make a change.  
(Baby, please come back to me)  
I would die,  
(Baby, please come back to me)  
To see your face.  
(Baby, please come back to me)
