I just can't breathe.
All I do is sing,
About you,
And the things we could be.
You just don't know,
How hard this is for me.
I just can't breathe.

And I hope you know by now,
That I won't let you down.
Now I'm simply showing you,
That it will be fine,
You won't have to worry,
As long as you're mine.
Please just stay with me,
Tonight.

I just can't see.
And I know it seems hard to believe.
It was you,
And you're all that I need.
And it's true,
Baby,
Please just don't leave.
I just can't see.

And I hope you know by now,
That I won't let you down.
Now I'm simply showing you,
That it will be fine,
You won't have to worry,
As long as you're mine.
Please just stay with me,
Tonight.
Please just stay with me,
Tonight.

And I'll pray,
For things to get better.
And I'll stay,
To write you this letter.
You'll know,

That I need you here.
And you'll know,
Of my greatest fear.

And I'll pray,
That we'll be together.
And I'll stay,
I'll stay here forever.
So you'll know,
That I need you here.
And you'll know,
Of my greatest fear.

And I hope you know by now,
That I won't let you down.
Now I'm simply showing you,
That it will be fine,
You won't have to worry,
As long as you're mine.
Please just stay with me,
Tonight.
Please just stay with me,
Tonight.
