She was holding her breath.  
As he waved Good-Bye.  
Trying her best,  
Not to cry.

But, she knew the truth.  
When she just couldn't take it anymore,  
A tear fell down and her heart was torn.  
From losing all the hope,  
That she once had.  
He said:

"Why are you crying, my dear?  
'Cause I will always be there for you.  
No matter what you go through.  
If you ever fall, it will be, into my arms."

She closed her eyes as she tried to dream.  
Of all those precious memories.  
It wouldn't be the same again.  
When she just couldn't take it anymore,  
A tear fell down and her heart was torn.  
From all those memories.  
He said:

"Why are you crying, my dear?  
'Cause I will always be there for you.  
No matter what you go through.  
If you ever fall, it will be, into my arms."

No matter how far and,  
No matter where.  
I'll do what it takes just to get there.  
No matter how far,  
No matter where.  
I'll do what it takes to get there.

'Cause I will always be there for you.  
No matter what you go through.  
If you ever fall, it will be, into my arms.
