We could fix everything, but I don't want to.
Cause we've tried everything, but I don't care

Cause I can't fix the things you've broken
And you can't change the things you've done
And we can't do this any longer
Cause oh girl the things I've heard

So sit here boys and girls let me tell you
A story of a boy, of a boy, of a boy who never mattered
Sit here boys and girls let me tell you
A story of the girl, of the girl, of the girl who never
cared

We could have been anything
But now (but now), but now (but now), I lost it all (I lost it
all)

Cause I can't fix the things you've broken
And you can't change the things you've done
And we can't do this any longer
Cause oh girl the things I've heard

So sit here boys and girls let me tell you
A story of a boy, of a boy, of a boy who never mattered
Sit here boys and girls let me tell you
A story of the girl, of the girl, of the girl who never
cared

Go ahead and try it again
Act like I care
Maybe they'll believe you this time
But I swear

That I can't fix the things you've broken
And you can't change the things you've done
And we can't do this any longer
Cause oh girl the things I've heard

So sit here boys and girls let me tell you
A story of a boy, of a boy, of a boy who never mattered
Sit here boys and girls let me tell you

A story of the girl, of the girl, of the girl who never
cared
