I'm speechless at the sight of your face.
And the best thing is,
Is there's not a trace of things I wouldn't do,
For you.
Of things I wouldn't do.

Just promise me,
You'll show the world your smile,
Show them what you've done.
Open up your eyes.
Let them shine like the sun.
Sing another song just so I can hear,
The voice of an angel.
Who makes my problems disappear.

My dear,
There's no one quite like you.
And everything that I say,
Every breath that I take,
I swear it's the truth.

Just promise me,
You'll show the world your smile,
Show them what you've done.
Open up your eyes.
Let them shine like the sun.
Sing another song just so I can hear,
The voice of an angel.
Who makes my problems disappear.

Sometimes,
I don't know what to do,
But take a guess of the truth.

You amaze me.
Over and over again.
You amaze me.
Over and over again.

Take my breath away.
(You amaze me)
Take my breath away.

Choose every day.
(Over and over again)
Take my breath away.
Choose every day.
(You amaze me)
Take my breath away.
Take my breath away.
(Over and over again)

Just promise me,
Just promise me,
You'll show your smile,
Show them what you've done.
Open up your eyes.
Let them shine like the sun.
Sing another song just so I can hear,
The voice of an angel.
Who makes my problems disappear.

The voice of an angel.
Who makes my problems disappear.
