And it's hard to know just what you're thinking,
When you're looking in my eyes.
When the moonlight shines down on your face,
As we say our goodbyes.
And it's hard to know if I am breathing,
When I hold you tight.
Tell me is this really happening?
Cause I feel so alive.

So won't you be mine?
So won't you be mine?

And it's hard to know if you're believing me,
When I tell you how I feel.
I just want you to know that I'm trying,
To let you know this is real.

So won't you be mine?
So won't you be mine?
Won't you be mine?

And I know it sounds crazy,
But I won't pretend.
Cause I want you forever,
So don't ever forget,
That you're my everything.
Whoa.

So won't you be mine?
So won't you be mine?
So won't you be mine?
So won't you be mine?
