Ready Ready Set Go

O yea, o yea, o yea, o yea, o yea
come on, come on, come on, come on, come on
O yea, o yea, o yea, o yea, o yea
come on, come on, come on, come on, come on

If I were a dentist I would take this opportunity
To look in your mouth
Maybe if I did then I would better understand
Just what you're talking about
And if my X-Ray picture
Gave the proper information
I'd be back at the start
'Cause every time I try to talk to you
My words keep falling apart

O yea, o yea, o yea, o yea
Come on, come on, come on, come on
Pretty girls make me nervous
Pretty girls make me nervous
Pretty girls make me nervous
When they're as pretty as you

If I was a surgeon I would do an operation
To examine your heart
I'd check to see if you and me
Could ever really move beyond the very start
And if my diagnosis could deposit
I still could only dream of you
'Cause approaching you is something
I know I could never have the guts to do

O yea, o yea, o yea, o yea
Come on, come on, come on, come on
Pretty girls make me nervous
Pretty girls make me nervous
Pretty girls make me nervous
When they're as pretty as you

And when she smiles she makes me happy
And when she's near I get so dreamy

And in my award winning dream
I performed like I was on a movie screen
As I casually popped the question
"Do you wanna go out for coffee?"
"I don't drink coffee!"
"A thousand curses"
"Hahahaha"

If I were a lawyer I would
Argue for the right to kiss you passionately
And if I were a teacher I would prove my inspiration
You would end up with me
And if I were an architect then I'd be busy
drawing up the perfect plan
Thought of all these things
?!?!?!?!?!?!?!?!?!?!?!?!?!?! *not sure on this line*

O yea, o yea, o yea, o yea
Come on, come on, come on, come on
Pretty girls make me nervous
Pretty girls make me nervous
Pretty girls make me nervous
When they're as pretty as you(x2)
