The milk man came late last night.
Mama let him in and turned out the light.
Daddy's been gone so long
This don't feel right, but it sure don't feel wrong.

Momma's boyfriend came back to town
All he does is smack her around
If momma could just be strong
No this don't feel right, but it sure don't feel wrong.

Sunday I get to meet my pa
Last time I see him at all
-- ----- ----- a different song
This don't feel right, but it sure don't feel wrong.

Mama's boyfriend's blood
Is soakin' in the mud
I been diggin' all day long
No this don't feel right, but it sure don't feel wrong.

So now we're headed over the hill
Tryin' to make it to Nashville
Somewhere that I belong
No this don't feel right, but it sure don't feel wrong.

The milk man delivers the milk late today
The door is locked but he gets to walk away
