I Found out  
You going out with him  
(Going out with)  
(Going out with)  
You, will not believe  
The state I'm in  
(Going out with)  
(Yes you're going out with)  
I can't stand  
I'm just no good for yooou oooh  
I can't stand  
I'm just no good for you  
She's got friends  
That hate it when i come  
(Going out with)  
(Going out with)  
I hope that all to her good things I've done  
(Going out with)  
(Yes you're going out with)  
I can't stand  
I'm just no good for yooou oooh  
I can't stand  
I'm just no good for you,  
For you, for yooou ohhh

She said that my chance  
Has been and gone  
(Going out with)  
(Going out with)  
Cos I've been in the  
Same clothes far too long  
(Going out with)  
(Yes you're going out with)  
I can't stand I'm just  
No good for yooou oooh  
I can't stand I'm just  
No good for you,  
For you, for yooou ohhh

I found out your going out with him  
(Going out with)  
(Yes you're going out with)
