Oh no, I cant keep away from you
I'â, -â,, çve tried, but I don'â, -â,, çt know what to do
Hold me while I think of something new
Should it always be this easy?
I said to hold me, not to squeeze me

I won'â, -â,, çt say you should apologize
Can you try to look me in the eye?
Is it wrong that I romanticize?
Should it always be this easy?
I said to hold me, not to squeeze me

Why don'â, -â,, çt you say it like you mean it?
Why don'â, -â,, çt you say it like you mean it?

Have you been thinking about yourself too long?
Have you been trying not to get along?
I shouldn'â, -â,, çt speak in case I get it wrong
and I always do

Oh no, I cant keep away from you
I'â, -â,, çve tried, but I don'â, -â,, çt know what to do
Hold me while I think of something new
Should it always be this easy?
I said to hold me, not to squeeze me

I won'â, -â,, çt say you should apologize

Is it wrong that I romanticize?
Should it always be this easy?
I said to hold me, not to squeeze me
