I heard you were out tonight  
I heard you were out tonight  
I wanna see you there  
I wanna meet you

You're going down tonight  
You're going down tonight  
I wanna feel you there  
I wanna feel you

You know I love you  
You know I love you  
You know I love you  
You know I love you

You wanna wait till its right  
I wanna do it tonight  
I gotta see that you care  
You gotta show me

You're going down tonight  
You're going down tonight  
I wanna feel you there  
I wanna feel you

You know I love you  
You know I love you  
You know I love you  
You know I love you

You know I love you  
Take off your clothes  
It's alright  
It's alright  
It's alright  
It's alright

I heard you were out tonight  
I heard you were out tonight  
I wanna see you there  
I wanna meet you

You're going down tonight  
You're going down tonight  
I wanna feel you there  
I wanna feel you

You know I love you  
You know I love you  
You know I love you  
You know I love you

You know I love you  
Take off your clothes  
It's alright  
It's alright  
It's alright  
It's alright
