And even when I think I've said it all  
I find a tragedy to break my fall  
Cause everything I love is pain in motion

Its moving like a ticker tape parade  
Continuing mistakes I'm glad I made  
Cause everything that hurts converts to lyric

So please pull the curtain  
It's not a show  
I'm feeling redundant and I think you should know  
It's over, It's over  
Without inspiration I've got nowhere to go  
Stay closer, stay closer  
And if the walls stop shaking say it like you mean it

Presented as the ministry of truth  
A gospel of confusion sold in youth  
You don't even make sense and we know that you fake  
it

So please pull the curtain  
It's not a show  
I'm feeling redundant and I think you should know  
It's over, It's over.  
Without inspiration I've got nowhere to go  
Stay closer, Stay closer  
And if the walls stop shaking say it like you mean it

I put my heart on the line  
But it's not mandatory  
You know why we fell apart  
They don't know half the story  
I tried to work it all out but I was only dreaming  
We took the show on the road I dragged you kicking  
screaming

I put my heart on the line  
But it's not mandatory  
You know why we fell apart  
They don't know half the story  
I just wanted to something better

So please pull the curtain  
It's not a show  
I'm feeling redundant and I think you should know  
It's over, It's over  
Without inspiration I've got nowhere to go  
Stay closer, Stay closer  
And if the walls stop shaking say it like you mean it
