After school is over we can have some fun
Bring the boys and baby I want you to come
All my girlfriends are gonna be there
We'll be there let me tell you where

[REFRAIN]

442 Glenwood Avenue
442 Glenwood Avenue
Come along, come on
It's the great place just next door (?)
442 Glenwood Avenue

Goofy Eddie's gonna bring his ukelele
Groovy Freddy's gonna dance all night with Sherry
I can't wait till I see you there
See you there let me tell you again the numbers

[Repeat REFRAIN]

Bop bop bop bop we'll turn the lights down low and
Bop bop bop bop we'll dance (?-unclear)
Bop bop bop bop and when the party's over you'll walk
me home
Now let me hang up the phone
And don't forget the numbers

[Repeat REFRAIN]

And don't forget the numbers

[Repeat REFRAIN WHILE FADING]
