NÂ' the days just glide in The eyes rest in the sky I hear lies

The tones just come here Try to make it my home I need to praise Them dreams that I erase

Oh father donÂ't wake me up DonÂ't try to wake me up DonÂ't wake me up

And you people just live on rails I canÂ't fix my time or space I canÂ't take place

Oh father just wake me up Just wake me up

Oh father donÂ't wake me up DonÂ't try to wake me up DonÂ't wake me up
