[Very Slow]

While riding in my Cadillac,
What to my surprise.
A little Nash Rambler was following me -
About one third my size.
The guy must've wanted to pass me up
As he kept on tooting his horn. Beep! Beep!
I'll show him that a Cadillac
Is not a car to scorn.
Beep beep. Beep! Beep! Beep beep. Beep! Beep!
His horn went beep beep beep. Beep! Beep!

[Slow]

I pushed my foot down to the floor
To give the guy the shake.
But the little Nash Rambler stayed right behind;
He still had on his brake.
He must have thought his car had more guts
As he kept on tooting his horn. Beep! Beep!
I'll show him that a Cadillac
Is not a car to scorn.
Beep beep. Beep! Beep! Beep beep. Beep! Beep!
His horn went beep beep beep. Beep! Beep!

[Normal]

My car went into passing gear
And we took off with gust.
Soon we were doing ninety -
Must've left him in the dust.
When I peeked in the mirror of my car,
I couldn't believe my eyes:
The little Nash Rambler was right behind -
I think that guy could fly.
Beep beep. Beep! Beep! Beep beep. Beep! Beep!
His horn went beep beep beep.

[Faster]

Now we're doing a hundred and ten -
This certainly was a race.
For a Rambler to pass a Caddy
Would be a big disgrace.
The guy must've wanted to pass me up
As he kept on tooting his horn.
I'll show him that a Cadillac
Is not a car to scorn.

Beep beep. Beep! Beep! Beep beep. Beep! Beep!
His horn went beep beep beep.
[Fastest]
Now we're doing a hundred and twenty -
As fast as I could go.
The Rambler pulled along side of me
As if we were going slow.
The fellow rolled down his window
And yelled for me to hear,
"Hey, Buddy, how can I get this car
Out of second gear!"
Beep! Beep! Beep! Beep! Beep! Beep!
