Don't go home, my little darlin
Please don't leave the party yet
Don't go home, my little darlin
Now that we have finally met

Can't you see I came to the party
Cause I knew that you'd be here?
Dance with me and stay at the party
So that I can hold you near

Don't go home, my little darlin
Cause I'm so in love with you
Don't go home, my little darlin
Till you learn to love me too

Don't go home, my little darlin
Please don't leave the party yet
Don't go home, my little darlin
Now that we have finally met

I have waited up for the party
Cause I knew wed finally meet
When I saw you here at the party
Then it made my world complete

Don't go home, my little darlin
Please don't leave me up a tree
Don't go home, my little darlin
Don't go home, please stay with me

Don't go home, my little darlin
Please don't leave the party yet
Don't go home, my little darlin
Now that we have finally met

Can't you see I came to the party
Cause I knew that you'd be here?
Dance with me and stay at the party
So that I can hold you near

Don't go home, my little darlin
Cause I'm so in love with you

Don't go home, my little darlin
Till you learn to love me too

Don't go home, my little darlin

FADE

Don't go home, my little darlin

Don't go home, my little darlin
