(Wah)

Oh I dreamed the jukebox played the day I died (wah)  
And a million rock and rollers softly cried (wah)  
And they all dropped shiny dimes in my coffin  
Remembering the times which were often  
They rock and rolled to a big big record of mine (wah)

Oh I dreamed the day I died a jukebox played (wah)  
And upon my chest a golden record lay (wah)  
They was a-stompin' and a-strollin'  
There was a-goin' on  
All the cats were wailin'  
The gonest is gone

Oh I dreamed the jukebox played the day I died (wah)  
And while I lay in state, I could'a flipped my lid  
Do you know what I dreamed the jockeys went and did?  
They bought up all my records in each and every town  
They played them simultaneously (one more song! )

I dreamed the jukebox played the day I died (wah)  
And a million rock and rollers softly cried (wah)  
And while a-stompin' and a-strollin'  
There was a-goin' on  
All the cats were wailin'  
The gonest is gone
