precious heart i'm in the dark i'm lyin here with the
broken parts of truth
All you ever ask of me isn't simple
Precious heart i'm in the dark i'm crying here but it's a
start for me
All you ever ask of me isn't simple

When he runs why won't he run to me
And if it's complicated well why can't it be simple
If the sun shines well why won't it shine for me
All you ever ask of me isn't simple

Precious heart i'm in the dark i'm lyin all here all picked
apart and let down
Let down, pick me up
Let me down, pick me up
All you ever ask isn't simple

Precious heart i'm in the dark
I'm crying here but it's a start for me
All you ever ask of me isn't simple

When he runs why won't he run to me
And if it's complicated well why can't it be simple
If the sun shines well why won't it shine for me
All you ever ask of me isn't simple

A reflection of you is alive in me
Ahhhhhhhhh, ahhhhhhhhh
Ahhhhhhhhh, ahhhhhhhhh
All you ever ask, all you ever ask, all you ever ask, all
you ever ask isn't simple
All you ever ask, all you ever ask, all you ever ask, all
you ever ask isn't simple
When he runs why won't he run to me
And if it's complicated well why can't it be simple
If the sun shines well why won't it shine for me
All you ever ask of me isn't simple
