Do it - do it - read my lips

Don't look at me that way
If you won't go all the way don't look at me that way

If you want to waste time and get me right off your
mind
If you want to wait till later, hands off my detinator

Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips
Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips

If you just want talkin'
Then you can start walkin' if you just want talkin'

If you just want fantasy then you're not the one for me
I want someone who's ready now
Get on the floor and show me how

Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips
Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips

Get on the floor, I don't just want your flirtation
So let's go, o'er where we can feel the vibration
Come on now, read my lips and take dictation
You've just got to follow the beat and you'll find the
location
And the conversation

Come out with your hands up and get down
Come out with your hands up and get down - get on the
floor
Come out with your hands up - get on the floor

Do it, do it, do it, do it
Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips

Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips
Do to me what your eyes say you wanna do
Do it - read my lips - do it - read my lips
Do to me what your eyes say you wanna do
Do it - read my lips - do it, do it

If you wanna wait till later, take your hands off my
detinator

Do to me what your eyes say you wanna do
Do it - r
