Sexy! - Ow!

I try my best to keep my cool - but you're sexy
It's nothin' I can put my finger on - you're just sexy

I never thought I'd lose control of my world
I'm not usually that kind of girl
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy

You can't hide what you don't know you've got
But you're sexy
If you said somethin' funny, ha-ha,
I'm hot and you're sexy

I never thought I'd lose control of my world
I'm not usually that kind of girl
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy

Cat got your tongue, well what a shame
Bet you don't know me, I know that you're never tame
Because you get the Harvard fames
I don't believe it when you say that you're not that
game

I never thought I'd lose control of my world
I'm not usually that kind of girl, ooh-yeah

Oh - come and get me

I know your love will fit me like a glove - you're just sexy
And so too much is not enough - but you're sexy

I never thought I'd lose control of my world
I'm not usually that kind of girl
I never, I never thought I'd lose control

I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy
I wanna reach you, touch you, capture you
Sexy is the wor-ord - you're sexy

Ow! Oh sexy
