I wanna wake up in a brand new place with you
I wanna dress up in all new clothes for you
I wanna take off this blind fold and know you're there
Maybe you could keep me in the toy box, toy box

Tie me up like you'd never leave me
I'm giving up on love if you're not real, real uh huh
Real, real uh huh

I wanna wake up with a brand new name, your name
I wanna look past all the fortune and fame - it doesn't
mean anything
I wanna skip to the part where i feel your heart inside of
mine
I want to live out all these fantasies
I want us to find a way to be - find a way to be
Maybe you could keep me in the toy box

Tie me up like you'd never leave me
I'm giving up on love if you're not real, real uh huh
Real, real uh huh
Real, real uh huh
Real, real uh huh
Real, real uh huh

I wanna wake up alive again
I wanna forget these dead friends
I wanna skip to the end to see do you love me, love me
Tie me up baby

Tie me up like you'd never leave me
I'm giving up on love if you're not real, real uh huh
Real, real uh huh

Tie me up like you'd never leave me i'm giving up on
love if you're not real
Real uh huh real, real uh huh
