As the midnight moon was drifting through  
The lazy sway of the trees  
I saw the look in your eyes looking into mine  
Seeing what you wanted to see  
Darlin' don't say a word 'cos I already heard  
What your body's saying to mine  
I'm tired of fast moves, I've got a slow groove  
On my mind

I want a man with a slow hand  
I want a lover with an easy touch  
I want somebody who will spend some time  
Not come and go in a heated rush  
I want somebody who will understand  
When it comes to love I want a slow hand

On shadowed ground with no one around  
And a blanket of stars in our eyes  
We are drifting free, like two lost leaves  
On the crazy wind of the night  
Darlin' don't say a word 'cos I already heard  
What your body's saying to mine  
If I want it all night, you say it's alright  
We got the time

'Cos I got a man with a slow hand  
I got a lover with an easy touch  
I've found somebody who will spend some time  
Not come and go in a heated rush  
I've found somebody who will understand  
When it comes to love I want a slow hand

If I want it all night, please say it's alright  
It's not a fast move but a slow groove  
On my mind

'Cos I got a man with a slow hand  
I got a lover with an easy touch  
I've found somebody who will spend some time  
Not come and go in a heated rush  
I've found somebody who will understand  
I've found a lover with a slow hand

Lover with a slow hand  
And I get all excited with his easy touch  
I've found somebody who will spend the night  
Not come and go in a heated rush
