You put my hand to your chest,
And you told me,
No one does this to me,
Like you can.

And your heart,
It was beating, It was beating,
Oh so fast

(Chorus)

So stay awhile,
I'll be waiting.
All these nights they keep on fading,
So stay awhile,
And hold me close.
I can't take letting you go,
And oh, I know,
It's not easy.
Just please be there for me,
Even when your away.

I know we don't have much time,
But I'll make the best of it.
The best of it.
I wish the night would never end sometimes.
You're always on my mind.

(Chorus)

So stay awhile,
I'll be waiting.
All these nights they keep on fading,
So stay awhile,
And hold me close.
I can't take letting you go,
And oh, I know,
It's not easy.
Just please be there for me,
Even when your away.

I know this has to happen someday, somehow.

I wish it wouldn't happen,
Not here, not now.
I'm countin' down the days til' you come back home
I'm sittin' in my room and I'm singing alone,
I'm sorry-I'm sorry-I'm sorry-I'm sorry

(Chorus)

So stay awhile,
I'll be waiting.
All these nights they keep on fading,
So stay awhile,
And hold me close.
I can't take letting you go,
And oh, I know,
It's not easy.
Just please be there for me,
Even when your away.
