Another day
I loose direction
Memories of yesterday, they call
Keeps me feeling small
I use to feel, the sweet conviction
Now I walk to crucifixion
Please, won't you catch me when I fall
But I can't take the screaming anymore
Still, there's nothing like your kisses, I recall

[Refrain:]

You know I'm trying, denying
That you don't love me anymore
You're closing all your doors
Inside I'm crying, I'm fighting
To find the way back to your heart
But I break before I start

I can't give up, to expectations
Now you leave your resignation
I, will miss you when you're gone
I guess, you can't take the screaming anymore
Remember all my kisses, like before

[Refrain]

I know I can't refuse the call
And your silent says it all
It's over
Don't leave me standing here

[Refrain]

You know I'm trying, denying. (Oh, I can feel your sweet conviction.)
No, won't you crucifixion
Inside I'm crying, I'm fighting
To find the way back to your heart
But I break before I start

Another day

I loose direction
Memories of yesterday, recall
Keeps me feeling smal
