Yeah, yeah, yeah.
Oh.

Stand on the outside, looking in.
Don't know where to turn, where to begin.
It's a long viney road.
I am on travel in a restless heart.

Where flying so high, touching the sky.
Spreading our wings again.
My heart is up high, with burning desire.
Always I will stand by your side.
Don't give up on love.

No, no.

Don't give up now, we have come so far.
Together we'll find out who we are.
And the road has been long.
I need a companion for my restless heart.

Where flying so high, touching the sky.
Spreading our wings again.
My heart is up high, with burning desire.
Always I will stand by your side.
Don't give up on love, love, love.
Don't you give up, don't you give up.
No.

Don't give up on love.
My heart is burning, my soul's on fire.
Don't give up on love.
So --- fire, my good desire.

Where flying so high, touching the sky.
Spreading our wings again.
My heart is up high, with burning desire.
Always I will stand by your side.
Where flying so high, touching the sky.
Spreading our wings again.
My heart is up high, with burning desire.

Always I will stand by your side.

Don't give up on love.

No, no.

Don't give up on love.

Oh.

Don't give up, don't give up.
