Hiding in the wings  
Watching every move she makes  
A champion in the ring

Then she starts to sing  
Chills and goosebumps neckhair standing

And she steps into the light, so possessive

Not a ordinary girl  
Almost shining like a pearl  
She's a rockstar

She's the ordinary girl  
Like an outcast of this world  
She's a rockstar

Hi it's me again  
I'm the one how wrote you, signed:  
"Your one true only fan"

You remember - I can tell  
Heard that you've been missing me  
Just like a lost friend.  
When I look into my eyes you posseses me

Not a ordinary girl  
Almost shining like a pearl  
She's a rockstar

We're the outcast of this world  
Just like kindred me and her  
She's my rockstar

Yes, I've been away  
On vacation you might say  
Didn't feel to good about myself  
But your music make me stick it through

Not a ordinary girl  
Almost shining like a pearl

She's a rockstar

We're the outcast of this world  
Just like kindred me and her  
She's my rockstar

Not a ordinary girl (She's not a ordinary girl)  
Oh ah She's shining like a pearl
