There's a party going on
Down at Chino's place
You can see both the old and young
Over at Chino's place
We can be as one international scum
Meet me at Chino's place, meet me at Chino's Place,
meet me at Chino's Place

And he gives you the first one free
Down at Chino's place
You gonna grow into a scumbag like me
There's a priest took me for a pretty face
Down at Chino's place
It's the best shooting gallery down at Chino's Place
And everything's all right, in the warm celestial light
Down at Chino's Place
Wooo
Down at Chino's Place

Chino was doing a long hard stretch
He packs a pump and a monkey wrench
I had tequila when I was young
Now nobody's going to spoil my fun
Church communion every week for him
He can only live by sin

Woo, wooo, wooo, wooo,
Wooo, woooo, down at chino's Place
Woooo, woooo, wooo, woooo
Wooo, woooo, down at chino's Place
Wooo, wooo...
Came in last night
Down at Chino's Place
