The tears on your face, they taste so sweet  
Words can't explain, so don't you speak  
Now is the time to ease your pain  
So open your heart, let it rain  
Put your head on my shoulder  
And let it all go  
Put your arms around me  
Like a river let it flow  
Like a river let it flow  
Like a river let it flow

Like some mountain made of stone, yeah  
You stood your ground, you walked alone  
Now is the time to bare your soul  
You can't be a rock, if you don't let it roll  
Put your head on my shoulder  
And let it all go  
Put your arms around me  
Like a river let it go  
Like a river let it go  
Like a river let it go

Like a cold wind blowin'  
Like the drivin' snow  
Put your arms around me  
Like a river let it flow  
Put your head on my shoulder  
And let it all go  
Put your arms around me  
Like a river let it flow  
Like a river let it flow  
Like a river let it flow  
Like a river let it flow  
Like a river let it flow
