What in the world is happening?
Look at the state I'm in
I can't believe I feel this way again
Just when I thought I got it made
The ghosts in my life they go digging my grave
What in the world is happening?
Look at the state I'm in
There ya go, getting me uptight
I'm lying awake again
She's giving me sleepless nights

No wise man's words
Are gonna help
When your lover don't love you
You can't love yourself
So I'm lying awake
Chained to the bed
Night after night, counting the days
What in the world is happening?
Look at the state I'm in?

There ya go, getting me uptight
I'm lying awake again
She's giving me sleepless nights

How can you say (repeat)
It's gonna be alright
I'm lying awake again
She's giving me sleepless nights
Yeah, she's giving me sleepless nights
Wo, she's giving me sleepless nights
Yeah, she's giving me sleepless nights
Wo, she's giving me sleepless nights
