Hear me girl

You tell me you love me

But you've been seen with somebody else

Hear me girl

You tell me you want me

But I've been sittin' here all by myself

[CHORUS]

If this is love, oh baby

Then I'd rather be lonely

If this is love, oh baby

Then I'd rather be free

Your attitudes have changed so much

It makes me feel like I've lost my touch

The things we try to do just ain't the same

Your love for me has turned into a game

Ohh baby

[Repeat CHORUS]

In a moment of tenderness

I can almost see, almost see the love

But was it really there

Or was it just playin' another one of our games

Someone please tell me

Is the girl for real

Or is she tryin' to destroy the love that I feel

[Repeat CHORUS]

You're not the girl that stood beside me yesterday

You're not the girl that cared in that lovin' way

But now I wanna be in reality

And realize just what's happenin' to me

[Repeat CHORUS 2x]
