This time I'm so sure that we lost every last word.  
in a moment so securely we lose it all so quickly.  
and i surrender everything. everything.  
Is this just one big mistake.  
take all we have and you throw it away.

show me light.  
give me soul.  
just give me anything at all.  
Cuz im not waiting.  
waiting for better days.  
Waiting for better days.

I cant believe that i gave in to you  
and waht you became.  
and i still kiss all my clothes.  
no good bye and you walk out the door.  
tell me where we ever went wrong.

you tell me whats wrong.  
i do my thing if you walk on  
yea i will be strong

take all we have  
and you throw it away.

give me light.  
give me soul.  
just give me anything at all  
because im not waiting.  
waiting for better days.

i held on to whats wrong instead of pushing away.  
i kept u here too long trying to say

show me light  
give me soul  
just give me anything at all  
because im not waiting,  
waiting for better days.  
waiting for better days
