it can't be right to say good-bye in a boring way
and as your tears run down i knew i couldn't walk away
the look in her eyes and the way she she smile yeah
and now i'm walking all alone on this blvd
and now i wonder how you feel and where you are
ten minutes is a life time
and i just i just want to know why
you were the one
but you said good-bye
you were my everything my life
you changed your mind
and now i'm walking alone
oh uh oh uh oh uh oh uh oh uh
oh oh oh oh
and now i'm sitting here in heart break avenue
and now i see her walking the coner with someone new
the look in her eyes and the way she she smiles yeah
and then you said to me that i was the only guy (only
guy)
it was me you you and me you and i
ten minutes is a life time
and i just i just want to know why
you were the one
but you said good-bye
you were my everyone my life
you changed your mind
and now i'm walking alone
oh uh oh uh oh uh oh uh
you were the one
but you said good-bye
you were my everything my life
you changed your mind
and now i'm walking alone
oh uh oh uh oh uh oh uh
i thought that you were what i need
more than ever but now i see
that's it time for me to move on(move on)
i take back everything i said
but i won't live with this regret
anymore anymore
oh uh oh uh oh uh oh uh
you the one

but you said good-bye
you were my everything my life
you changed your mind
and now i'm walking alone
oh uh oh uh oh uh oh uh

you were the one
but you said good-bye
you my everything my life
you changed your mind and now i'm walking alone
oh uh oh uh oh uh oh uh
oh uh oh uh oh uh oh uh
oh uh oh uh oh uh oh uh
