this charade is blah  
you feel nothing and you tear me up, tear me up  
when the pain is gone don't come messing up my make  
up,make up

you can be so dry but i see it's raining in your eyes  
everytime you speak  
all the love inside destroyed me and i will never know  
the truth

no, no - yes everything's gone  
forwarded on to the end  
no, no it's now or never and baby time can't save us

this charade it's blah  
you feel nothing and you tear me up, tear me up  
when the pain is gone don't come messing up my make  
up,make up

look me in the eyes  
walk thru me  
i imagine what it's like to be in your arms  
to be the one you touch  
do you really think that i'd let you go

no, no, no, no you don't  
cause you're the one who threw me away  
heyyy  
no, no, no nothing's forever and baby time can't save  
us

this charade is blah  
you feel nothing and you tear me up, tear me up  
when the pain is gone don't come messing up my make  
up,make up

i promise you time is gonna make it harder  
you like it sour but i'm in a daze  
i swear i am walking away  
i can't stand your charade of love, charade of love  
you feel nothing and you tear me up

baby time can't save us

this charade it's blah  
you feel nothing and you tear me up, tear me up  
when the pain is gone don't come messing up my make  
up,make up

this charade it's blah  
you feel nothing and you tear me up, tear me up  
when the pain is gone don't come messing up my make  
up,make up

this charade is blah
