Kiss me goodbye
I would love to mind f*ck you
Scratch out my eyes
Cause I'm always gonna see you
I beg to die if I'm never gonna hold you
So I run away but
You're drowning
Me Into You

And I need
and I need
Drowning
Me Into You

And I need
and I need
and I bleed for you
Look what you've done

And I'm Drowning
Me Into You

And I need
and I bleed
Look what you've done

Drowning
Me Into You

Drown
Drown
Drown
Drown

Try so hard to let you go but in my dreams I'm not free

So many pieces none belong
So many pieces none belong
Kiss me good bye
I would love to mind f*ck you
Scratch out my eyes
Cause I'm always gonna see you

I beg to die if I'm never gonna hold you
So I run away but
You're drowning
Me Into You

So many pieces
So many pieces
So many pieces
So many pieces
None belong

Try so hard to let you go but in my dreams I'm not free

And I need
and I need
and I bleed for you
Look what you've done

Look what you've done
Drowning
Me Into You
Look what you've done
Drowning me
Into you
Look what you've done
Drowning me Into you
