in my mind i see you again  
so many pieces, none belong

i'd lick your scars i've make you love  
i love who you are  
why the need to touch me  
don't you have a home  
you don't love anything  
so go be free

in my life i've found you again  
only to dream of you

i'd lick your scars  
i'd make you love  
i love who you are  
why the need to touch me  
don't you have a home  
you don't love anything  
so go be free  
so go be free
