-Love Are You Somewhere-

how do i put this into words
how do i get past all the hurt
love has failed me
and i just want to run so far away
god it just hurts when i close my eyes
i kinda feel lost in a movie and i dream at night
that i am in loves arms, so in love, so alive

say love are you somewhere dreaming of me
i'm lost and they won't set me free
only love can rescue me
say love it's just too bad they couldn't see
i'm glad that they don't
when i break free
you can be the one who saves me

oh yes the page will always turn
then it's goodbye to all that left me empty
hello to new dreams come true

say love are you somewhere dreaming of me
i'm lost and they won't set me free
only love can rescue me
say love it's just too bad they couldn't see
i'm glad that they don't
when i break free
you can be the one who saves me

say love are you somewhere
say love are you somewhere
dreaming of me
i'm lost and they won't set me free

say love are you somewhere dreaming of me
i'm lost and they won't set me free
only love can rescue me
say love it's just too bad they couldn't see
i'm glad that they don't
when i break free
you can be the one who saves me

you can be the one who saves me
so in love
you can be the one who saves me
only love can rescue me
