i need your love, past the stars
would you ever forgive me for what i've done
oh thank you for forgiving me

darling if this love were to fade
all the skies would be cloudy and gray
i see oceans of light in the dark of your eyes
the blue is so bright
in this flight i have fallen for you, i'm fallin', i'm fallin'
i'm fallin'
don't wake me from dreamin' of you

opened my eyes and there you are
perfect and dreamy
and my heart is leaving me now

it's a cruel, cruel world
would you please be ok
it's a cruel cruel world
but not anymore
you're ok which makes me happy
i need your love
how far?
i need your love
how far?
past the stars
past the stars

i dreamed of you love
how come?
i knew that you'd come
and for how long?
and here you are
leaving with all of my heart
