cat tied in a cage
you live out this fucking maze
i'll just make my way to the door
last night in a dream i woke up and i could see
all of this means nothing anymore

it hurts at night
my heart aches for you
i tell myself we never were and there's nothing i can do
nothing i can do

i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry

i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry

slapped right in the face
go on kill us all the way
i don't even care anymore
backslide to the day
have to get it all erased
gets so hard to see when you're gone

i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry
i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry

you make it so easy
you make me feel dirty
you make it so easy
i hope that it's worth it

cat tied in a cage
slapped right in the face
cat cries is it strange
cat dies in the maze

you make it so easy
you make me feel dirty

it hurt sometimes
you lie so well
but now i know
baby it shows
you like to see me in hell, hurting

i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry
i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry

cat tied in a cage
you live out this fucking maze
i'll just make my way to the door
last night in a dream i woke up and i could see
all of this means nothing anymore

i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry
i'm going crazy
i'm going crazy
i laugh when you say you're sorry
when you say you're sorry

slapped right in the face
go on kill us all the way
i don't even care anymore
backslide to the day
have to get it all erased
gets so hard to see when you're gone
