When I look up from my pillow I dream you are there  
with me Though you are far away I know you'll always  
be near to me I go to sleep, sleep And imagine that  
you're there with me I go to sleep, sleep And imagine  
that you're there with me I look around me And feel you  
are ever so close to me Each tear that flows from my  
eye Brings back memories of you to me I go to sleep,  
sleep And imagine that you're there with me I go to  
sleep, sleep And imagine that you're there with me I  
was wrong, I will cry I will love you till the day I die You  
were all, you alone and no one else You were meant for  
me When morning comes again I have the loneliness  
you left me Each day drags by Until finally my time  
descends on me I go to sleep, sleep And imagine that  
you're there with me I go to sleep, sleep And imagine  
that you're there with me
