Kid what changed your mood You've gone all sad so I  
feel sad too I think I know some things we never  
outgrow You think it's wrong I can tell you do How can I  
explain When you don't want me to Kid my only kid You  
look so small you've gone so quiet I know you know  
what I'm about I won't deny it But you forgive though  
you don't understand You've turned your head You've  
dropped by hand All my sorrow, all my blues All my  
sorrow Shut the light, go away Full of grace, you cover  
your face Kid gracious kid Your eyes are blue but you  
won't cry I know angry tears are too dear You won't let  
them go
