you can't trust a cold blooded man
girl, don't believe in his lies
can't trust a cold blooded man
he'll love you and leave you alive
there's one thing you must understand
you can't trust a cold blooded man

can't trust a cold blooded woman
boy, don't you lie in her bed
you can't trust a cold blooded woman
she'll love you and leave you for dead
there's one thing you must understand
you can't trust a cold blooded woman

and all the times i stayed and wonder why, are to blame, oh
and all the times that i'm reminded by, i'm ashamed, oh yeah

(musical break)

you can't trust a cold blooded lover
you can't trust a cold blooded slave
you can't trust a cold blooded other
in the end they'll just drive you insane
there's one thing you must understand
you can't trust a cold blooded
can't trust a cold blooded
can't trust a cold blooded

woman(man)

(musical outro)
