### "Everybody Wants Something From Me"

Take a piece of my life  
Take a piece of my soul  
Take a piece of my face  
So I can never grow old

And take a piece of my world  
Take a piece of my heart  
Take a piece of my brain  
So I can never be smart

Everybody wants to see me down  
Leave my body on the dirty ground  
Everybody wants

I want you to abuse me, use me, shut up and do me  
'Cause everybody wants something from me  
Grab me, stab me, go on and have me  
'Cause everybody wants something from me  
Everybody wants something from me

Take a drink of my drink  
Take a drag on my drag  
Take a shoot at the good  
And take a pill for the bad

Take your momma's advice  
So you can do what is right  
Take a knife to the bed  
Take a gun to the fight

Everybody wants to see me down  
Everybody wants

I want you to abuse me, use me, shut up and do me  
'Cause everybody wants something from me  
Grab me, stab me, go on and have me  
'Cause everybody wants something from me  
Everybody wants something from me

Break me, take me

C'mon and make me  
'Cause everybody wants

Abuse me, use me, shut up and do me  
'Cause everybody wants something from me  
Grab me, stab me, c'mon and have me  
'Cause everybody wants something from me  
Yeah, everybody wants something from me
