See the lust in your eyes I know you can't hide it
And your walk and vibe makes me want to try it
Like lac' spinning rims i love it when you ride it
You a stallion baby you know you got body

Hook

You working that thang, you tworking that thang
I love them g-strangs, it's just a g-thang
I'm merking that thang, t'm tworking that thang
Still stroking that thang, it's just a g-thang

Chorus repeat 2x's

Can you make it juicy for me
Or can i make it juicy for you
You get sweaty for me
And I can get sweaty for you

Now i'm a passionate lover just like passionate sex
Butt naked in the classroom on the teacher school desk
Triple x rated call me slick-em-high i get that body wet
and then i lick em down
I'm on point and best believe i ain't no teaser
I wanna get deep and a little bit deep and a little bit
deeper
Sweeping you off your feet like a ray talking about
slick-em-way
Naw i ain't stoping till i feel a backboard break

Spectacular

I'll be your lover man, your special lover man
And i'll do anything that you want me to do plus more
and more
If you want me to rub ya down, massage your body
cause it feeling sore
then baby just close the door and let me take control i'll
be the man dreams
Better yet your superman take you places you never
been
so close close you can call us kin cause you got that
juicy
And i love your body next to me amd i love your body

next to me
I sweat for you so sweat for me

Chorus

Hook

You so juicy you know what i and i wanna put my you
know what down there
I got a fetish for pulling hair so might end up with a
track or two plus a ginger tip
Carress ya hip, rub my lips, kiss your lips
oh baby come closer to me express your emotions to
me
wanna press my body against yours feel sweat coming
from our pores
I'm pushing harder inside ya forget my girl get yours
you so juicy and i'm so juicy for you
ain't no better feeling than me inside you

I'm tasting every drop
gonna get candyshop
i lick your lollipop
i'll out that thang on ya
I'll let you climb on top
and let the nookie pop
under the cookie jar
i ain't no rooki girl

Chorus

Hook out
