{Chorus}

Lay your body down and let me touch your body
And u know it's goin down cause ain't nobody here 2
stop me
And i know u heard about my freaky reputation
But don't listen 2 the crowd
Because u know how they be hatin on mee..

(Verse1)

I know it's been a minute since i spent sometime wit u
But wat i wanna is make you scream out oo ee oo
No need 2 rush mamma make everything suitable
Gotta let u know this proposition not refusable
We gonna play this song right here
So u betta get your body in here
Get comfortable and have no fear
'cause u know it's goin down in here soo..

{Chorus}

Lay your body down and let me touch your body
And u know it's goin down cause ain't nobody here 2
stop me
And i know u heard about my freaky reputation
But don't listen 2 the crowd
Because u know how they be hatin on mee..

I know u heard about tamika and Teresa oooo
Stephanie,candy,kalisha,jasmine and leslie 2
Y don't u tell me ma look what they got 2 do with u
U seem uncertain ma so why i don't give u a clue
I'll kiss it where tha sun don't shine
After that mami then u do mine
Turn over let me see it from behind
It's gonna get warm in hurr after this rhymn

{Chorus}

Lay your body down and let me touch your body
And u know it's goin down cause ain't nobody here 2
stop me
And i know u heard about my freaky reputation
But don't listen 2 the crowd

Because u know how they be hatin on mee..
