"Light Me Up"

Does what I'm wearing seem to shock you?
Well that's okay
'Cause what I'm thinking about you
is not okay
Got it on my mind to change my ways

But I don't think I can be anything other than me
I don't think I can be anything other me

Do you have a light, can you make me feel alright
There's plenty of light to go around
If you think it's right when you hit me to the ground
Well light me up when I'm down
Light me up when I'm down

Does what I'm saying seem to haunt you?
Well that's okay
'Cause what I'm saying about you
Is not okay
Got it on my mind to change my ways

But I don't think I can be anything other than me
I don't think I can be anything other than me

Do you have a light, can you make me feel alright
There's plenty of light to go around
If you think it's right when you hit me to the ground
Well light me up when I'm down
Light me up when I'm down

Light me up when I'm down
Light me up when I'm down

Does what I'm taking seem to bother you?
Well that's okay
'Cause I can take it all without you
And I'm okay
Got it on my mind to change my ways

But I don't think I can be anything other than me

I don't think I can be anything other than me

Do you have a light, can you make me feel alright
There's plenty of light to go around
If you think it's right when you hit me to the ground
Well light me up when I'm down
Light me up when I'm down

Light me up when I'm down
Light me up when I'm down
Light me up when I'm down
Light me up when I'm down
Light me up when I'm down
Light me up when I'm down
