## "Nothing Left To Lose"

I was only 19, you were 29  
It's just 10 years, but it's such a long time  
In a heartbeat, I would do it all again

Late night sex, smokin' cigarettes  
I try real hard but I can't forget  
Now in a heartbeat, I would do it all again

Now I see that you and me were never meant  
Never meant to be now  
Now I'm lost somewhere  
Lost between Elvis and suicide

Ever since the day we died, well  
I've got nothing left to lose

After Jesus and Rock N Roll  
Couldn't save my immoral soul, well  
I've got nothing left  
I've got nothing left to lose

Callin' out sins just to pass the time  
My life goes by in the blink of an eye  
I know you want me  
I was only lookin' for a friend

And everything I was  
And everything that I've become  
Just falls into the end and

Now I see that you and me were never meant  
Never meant to be now  
Now I'm lost somewhere  
Lost between Elvis and suicide

Ever since the day we died, well  
I've got nothing left to lose  
After Jesus and Rock N Roll  
Couldn't save my immoral soul, well  
I've got nothing left

I've got nothing left to lose

Now I see that you and me were never meant  
Never meant to be now  
Now I'm lost somewhere  
Lost between Elvis and suicide

Ever since the day we died, well  
I've got nothing left to lose  
After Jesus and Rock N Roll  
Couldn't save my immoral soul, well  
I've got nothing left  
I've got nothing left to lose
