You turn me on and
Get computer lovin? all nite
Girl I met you online
Now you on my laptop
Call ya boy yo magnet
You at the bottom of my laptop

(Verse 1): Slick ?Em

You know what I?m looking for
To make me beg for more,
Make me say words I never said before
Like a Libra I could teach her how to blow things like,
Hurricane Rita
Or what about a Cancer romance her, or dance her
Sending me pictures all up in my camera
Ain?t shy like a Leo
But got stamina like a Taurus, I can?t handle her
Something that?s down to earth, like a Capricorn
PrettyRicky dot com
Just hit me on my phone
'cause da Gemini is da bomb; they give lovin
like a tropical storm
No lie
I?m searching for da freakiest freaks freaks of all
freaks
Scorpios, Virgos, Aries; I gots to keep her

(Chorus):

I?m searching for a zodiac sign
I?m on da chat line, and sex is on my mind
I?m searching for her on E-Bay (E-Bay)
I?m searching for a zodiac sign
I?m on da chat line, and sex is on my mind
I?m searching for her on E-Bay (E-Bay)

(Verse 2): Spectacular

Capricorns and Aries
So juicy
Like chocolate covered cherries
Brazilian wax on dat monkey; never hairy
Make her hit a high note like Mary J Bli
I?m freak and don?t know why
Clothes off and hails always shy
Take da saddle off dis horse, jump on top and baby
ride
September; I?m a Virgo just in case you don?t know
Play you like Nintendo
Baby I?m a nympho

(Verse 3): Baby Blue

I?m looking for a zodiac lover
Cool dat?s sexy under cover (cover)
Girl love to take naughty pictures and den send em to
me by E-mail

Whoa!
Lick em'high, lick ?em low
Super freaky Leo
Hit ?em den I?m gone
Lovin? all nite to a Pretty Ricky song
Love dem Capricorns, 'cause? dey stay so horny
Sex in da morning, sex in da evening, all nite long and

(Chorus till the end)
